

PUBLIC NOTICE

Industry Briefing – Southern Seawater Desalination Plant

The Water Corporation will be holding a briefing session to industry on the Southern Seawater Desalination Plant. A competitive alliance model will be used to select a proponent to work with the Corporation in an alliance to design, build, operate and maintain the new plant, north of Bunbury in the south west of Western Australia.

The briefing will inform industry of the project and the procurement strategy. It will also outline to industry the Request for Proposal (RFP) document which will be released by the Corporation on 22 September 2007.

Date: Tuesday, 18 September 2007

Time: 10:00am – 11:30am

Venue: Library Theatre, State Library of Western Australia
Perth Cultural Centre, Northbridge WA

The Corporation will be available to meet with interested companies or consortia during the week following the industry brief. Registration for these meetings should take place when registering for the industry briefing.

To register, or for further information, please contact Joanna Jenkinson on (08) 9420 2197 or email joanna.jenkinson@watercorporation.com.au
