what is financial hardship?

Financial Hardship describes the difficulty faced by individuals or families who struggle to meet their normal living expenses including food, mortgage, electricity account, etc.

If paying your water charges will affect your ability to meet basic living expenses you may be deemed to be in financial hardship.

For some customers this may be a temporary situation due to:

- An unexpected emergency
- A temporary reduction in income
- A sudden change in living circumstances

For others, it may be longer term. This can apply to people with low or fixed incomes who may require ongoing assistance.

You can view a copy of our Financial Hardship Policy at www.watercorporation.com.au or call us on **13 13 85** to request a copy.

In addition to the extensive support outlined in this brochure we can offer:

- Payment arrangements free of interest if you agree and maintain your arrangement.
- Equal repayment plans that allow you to combine outstanding charges with anticipated future water charges into regular instalments.
