

Ensign have flawless waterwise practices.

In just under two years Ensign laundry services has cut their water use from 24 litres per kilo to an industry-leading 12 litres per kilo. It took smart management and clever engineering which has resulted in an anticipated annual saving of 80 million litres of water. Now Ensign are reaping the rewards and helping save WA's precious water supplies. This is just one example of how the Water Corporation is working with WA businesses to do their bit to use water more efficiently. Let the Water Corporation show you the benefits of becoming a Waterwise Business. Call the Waterwise Infoline on 13 10 39 or visit watercorporation.com.au for more information.
