Water supply application (not to be used for building purposes)

Meter boxes

All meter boxes are to be installed by Water Corporation or our approved installer, providing all our safety requirements are met.

Subject to your agreement of our [Standard terms and conditions](#), Water Corporation or our approved installer will install the meter box.

Meter boxes can only accommodate services up to 50mm, provided we have not classified the backflow risk as 'high'. Services with a high backflow risk will require a back flow prevention device that will not fit in a box.

Conditions

With respect to this application, I acknowledge and agree that the approval of this application and provision of a service will be subject to the [Standard terms and conditions](#).

I have read and understood these terms and conditions,
