

The Waterwise Experience

Important Information

Purpose of the incursion

The Waterwise Experience is an immersive incursion that transports students with audio led narratives using silent disco-like technology. Students will experience a diverse range of first-person perspectives through three interactive stories which are designed to engage them emotionally and imaginatively - allowing them to see the value and importance of water from a global to local perspective and understand no one is too small to make a difference.

Students will gain a new perspective as they travel through an arid landscape, jet into space, and explore Perth city from a new angle. This incursion is free and directly links to the curriculum outcomes and cross-curricular priorities.

At the completion of this experience, students will have a better understanding of:

- The interconnectedness and dynamism of the world's natural systems.
- The value in differing worldviews and diversity through exploring other peoples' experiences.
- How sustainable practices are forged through respect, responsibility and understanding of the uniqueness of environments.

Incursion set-up

- The Waterwise Experience is made up of 1-2 'pods' of 9 tent worlds. Within each pod of 9 tents are 3 different tent themes.
- One pod can cater for up to 45 students in one session. We are currently delivering the experience with a maximum of two pods, allowing for a maximum of 90 students to experience the incursion in one session.
- We are able to cater for up to 4 sessions a day, delivering to a maximum of 360 students per day. We encourage multiple day bookings where necessary.
- To ensure we are ready for the first session, we will require access to the space minimum two hours prior to start time.

Incursion footprint

The incursion is delivered on your school grounds. Currently the experience can be set-up in any large, indoor or outdoor space such as an oval, hall or gym. The minimum footprint required is 15 metres by 28 metres (the size of an average basketball court).

Total # of students per session	Pods required	# of tents	Footprint
30 - 45	1	9	15m x 28m roughly 1 basketball court
60 - 90	2	18	30m x 56m roughly 2 basketball courts

Student capacity

The table below shows how many pods, sessions and days are required in order to deliver the experience to a particular number of students. It also factors in the space required.

Waterwise Experience
Important Information

		15m x 28m (1 x basketball court)	30m x 56m + (2 x basketball courts)
Total # of students to attend	30 to 45	1 pod, 1 session, 1 day	1 pod, 1 session, 1 day
	46 to 90	1 pod, 2 sessions, 1 day	2 pods, 1 session, 1 day
	91 to 135	1 pod, 3 sessions, 1 day	2 pods, 2 sessions, 1 day
	136 to 180	1 pod, 4 sessions, 1 day	2 pods, 2 sessions, 1 day
	181 to 225	1 pod, 5 sessions, 2 days	2 pods, 3 sessions, 1 day
	226 to 270	1 pod, 6 sessions, 2 days	2 pods, 3 sessions, 1 day
	271 to 315	N/A	2 pods, 4 sessions, 1 day
	316 to 360	N/A	2 pods, 4 sessions, 1 day
	361 to 405	N/A	2 pods, 5 sessions, 2 days
	406 to 450	N/A	2 pods, 5 sessions, 2 days
	451 to 495	N/A	2 pods, 6 sessions, 2 days
	496 to 540	N/A	2 pods, 6 sessions, 2 days
	541 to 584	N/A	2 pods, 7 sessions, 2 days
	585 to 629	N/A	2 pods, 7 sessions, 2 days
	630 to 674	N/A	2 pods, 8 sessions, 2 days
675 to 719	N/A	2 pods, 8 sessions, 2 days	

Before continuing with your booking request, please ensure you have reserved the appropriate space to cater for your visit.

If you have any questions or queries before making a reservation, please do not hesitate to contact us on education@watercorporation.com.au or (08) 9420 3505.

Thank you.

Kind regards,
Waterwise School Team
