

Kununurra Diversion Dam maintenance work

Project Update – Construction work in your area

We are currently undertaking essential maintenance work at the Kununurra Diversion dam, to strengthen the embankments of the dam.

This work is occurring on the downstream embankments of the dam, which is located near Victoria Highway, Kununurra. Please refer to the map for further details.

Construction impacts

As part of this work, large trucks will be carting construction materials along Lake Argyle Road, during daylight hours from Wednesday 17 July until the end of October, 2019.

Will this work impact me?

During this period, please take care when driving along Lake Argyle Road and consider the following:

- Read and adhere to all traffic signage and traffic management.
- Maintain a safe speed at all times.
- Slow down as required when approaching oncoming traffic.

We apologise for any inconvenience caused during this work and thank you for your patience.

More information

For more information on the project, please email David Pickering, Project Manager, Water Corporation on david.pickering@watercorporation.com.au or call 0413 887 131.

For all community related enquiries, please contact Elecia Piparo, Advisor – Community Engagement on elecia.piparo@watercorporation.com.au or call (08) 9420 3265.
