

# Temporary detours – Poinciana Place, Scenic Drive - Wanneroo

Water Corporation is building a pipeline from its Beenyup facility in Craigie to newly built bores in Wanneroo and Neerabup. Part of the 13km long pipeline extends along the eastern side of Lake Joondalup, along Scenic Drive and Poinciana Place.

To safely install the pipeline, parts of Scenic Drive will be temporarily closed between San Rosa Drive and Tamarisk Avenue and traffic detours will be in place. We appreciate the patience of the Wanneroo community and remind road users to adhere to all signage in place.

**Local traffic only** (residents living along the closed section of Scenic Drive) will be permitted to enter the closed portion of road.

## Construction schedule

Stage	Details	Estimated timing*
<b>Scenic Drive – San Rosa Rd to Tamarisk Avenue intersection Poinciana Place and Scenic Drive.</b> Detours from Tamarisk Ave	All Scenic Drive traffic (local traffic exempt) diverted at Tamarisk Avenue, north along Decora Crt and east along Jacaranda Drive to Wanneroo Road. No right turn onto Scenic Drive from Tamarisk Ave. No left turn from Poinciana Pl to Scenic Dr is permitted. Right turn permitted at intersection Poinciana Place and Scenic Drive.	Late May to late June 2019

\*Timings are indicative only and are subject to change.

## Why is this work taking place?

As Perth continues to experience the impacts of climate change, the decision was made in July 2016 to expand our Groundwater Replenishment Scheme. This will provide better certainty for Perth's water supplies, seeing the Scheme's capacity increase from 14 billion litres per year to 28 billion litres a year. The recharge pipeline is an essential part of the Groundwater Replenishment Scheme expansion.

## How do I find out more?

For more information, including a map of the pipeline route, please:

- visit [watercorporation.com.au/gwrs](http://watercorporation.com.au/gwrs)
- email [community.engagement@watercorporation.com.au](mailto:community.engagement@watercorporation.com.au)
- phone 08 9420 3488

For immediate assistance during construction, please contact Project Manager for Civcon on 0401 941 438.

**Map of traffic management (not to scale):**

**Closed to all northbound traffic (local traffic permitted)**

**Detour**

**We appreciate your cooperation and understanding while this essential work is carried out, and apologise for any inconvenience caused.**
